

“Business support is not just about solving problems; it’s about empowering growth, fostering resilience, and paving the way for success.”

CEO of New Ark Business Support

## About Us

Welcome to New Ark, your premier partner in business support for care agencies. From CQC registration to expert bid writing, mock interviews, and seamless business setup, we’re here to empower your agency’s success. Trust New Ark to navigate the complexities and set your agency on the path to thrive.

## Our Mission

We strive to streamline processes, facilitate growth, and ensure compliance through services such as CQC registration, bid writing, mock interviews, and business setup. With a commitment to excellence, we aim to be the trusted partner that enables agencies to focus on delivering exceptional care while we handle the rest.

## The #1 Business Support Provider

From our comprehensive services to our dedicated team, we go above and beyond to ensure that every agency we work with receives the support they need to thrive. Choose New Ark as your trusted partner, and experience firsthand why we are the number one business support company in the industry.

Business Support

“Business support is not just about solving problems; it’s about empowering growth, fostering resilience, and paving the way for success.”

## Our Core Services

New Ark offers business support services tailored for care agencies, including seamless CQC registration, expert bid and tender writing, customised mock interview preparation, business setup guidance, and ongoing compliance support.

### CQC Registration

Smooth and compliant process for care agencies navigating the complexities of regulatory requirements.

### Bid and Tender Writing

Compelling proposals tailored to win contracts, securing opportunities for agency growth and expansion.

### Mock Interview Prep

Training and support to help agencies confidently navigate interviews, ensuring a competitive edge in the industry.

### Business Setup

From legal requirements to operational frameworks, setting the foundation for success.

### Compliance Support

Stay up-to-date with regulations, mitigating risks and maintaining high standards of care delivery.
